

# MAY 2017

## Fishing Opener

It's that time again. Fishing Opener is this month, which means you will need to fuel your Boats. Neat 91 is Premium Unleaded Gasoline 91 Octane with no ethanol. If you are looking for the best fuel to power your boat this season we carry Neat 91 at our main location on Lincoln Ave SE as well as our location in Waite Park.

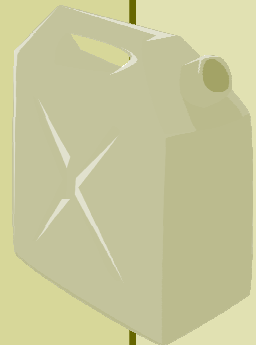

## How to Safely Fill a Gas Can

- Always Remember to never smoke anywhere near the gas pump or gas can.
- Turn off your engine when fueling.
- Make sure you are using a state approved gas can.
- Discharge static electricity.
- Remove gas can from vehicle and fuel only when can is safely on the ground.
- Remember to fill your can slowly to prevent splashing and over flow.
- Do not fill the can all the way to the top.
- Tightly secure the cap.
- Wipe off the outside of the gas can before returning it back to your vehicle.
